# Synthetic Employment Matter Incident Record

MAT-002 - Project Atlas - Employee Leave and Misconduct Review

| | |
|---|---|
| **Matter ID** | MAT-002 |
| **Document type** | Employment investigation record |
| **Status** | Synthetic test fixture - upload and review |

## Purpose

This synthetic document is provided for testing the employment-matter normalization path. It is fictional and should not be treated as an actual HR record.

## Employee and role

Employee: Priya Nair. Role: Regional Operations Manager. Employment start date: 4 April 2022. Business unit: Operations.

## Allegations

The matter concerns alleged approval of leave records without supporting documentation and alleged failure to follow the expense approval policy during July and August 2026.

## Known events

The employee was notified of the investigation on 2 September 2026. An initial meeting occurred on 8 September 2026. The employee provided a written response on 12 September 2026.

## Current facts

The investigation notice was issued and the written response was received. The factual basis for the expense allegation remains partly disputed.

## Open item for review

Determine whether the evidence supports a formal disciplinary process or whether additional interviews are required before a decision is made.
